DATE SECURITY – All details given are kept secure and are in the strictest confidence

MOBILE PHONES – We respectfully request that all mobile phones be switched off during your visit to our salon...

VALUABLES – Some treatments require the removal of jewellery which will be stored safely in your room, please ensure you retrieve all your valuables before leaving the premises as we cannot be held responsible for lost items...

PRE & POST HOMECARE ADVICE

DEPILATION –

- **Do not use sunbed or any other heat treatment 24 hours before or after**
- **Do not sunbathe 48 hours before or after**
- **Do not use perfumed creams or oil on the area 24 hours before or after treatment**
- **Do not apply any product to the area 24 hours after waxing, if bathing or showering, only use tepid water**

ELECTROLYSIS –

- **Do not expose the area to UVA light 5 days before and 2 days after treatment**
- **Avoid using any product on the area for 48 hours**
- **Do not use a rich moisturiser for 48 hours after treatment**
- **Cortisone/steroid creams should not be used**
- **Do not apply make-up for 24 hours**
- **Wash hands prior to touching the area**
- **Only use products advised by your therapist**

EAR PIERCING –

- **Cleanse the ear lobe at least twice a day without removing the earrings, by dabbing the front and back of the ear lobe with a cotton ball dipped in ear care solution**
- **Sterilise hands and rotate earrings three times a day**
- **Do not remove stud for four weeks**
- **After 4-6 weeks a post type stud (24ct gold or surgical steel) should be worn**
- **Do not wear wire type studs for at least 8 weeks**
- **Consult your doctor if excessive redness, itching or soreness occurs**
- **After shampooing hair make sure all soap is rinsed around the lobe. Avoid hairsprays and hair preparations**

NAIL EXTENSIONS –

- **Use pads of your fingers instead of your nails**
- **Use gloves for household tasks**
- **Apply hand cream regularly**
- **Salon infills are required every 2-3 weeks**
